Kate:
 Yes, Kate, Commission Staff is willing for you to provide electronic copies prior to the deadline for copying, but we will assess the need to charge for reimbursement after the copying is completed by Staff. It would be most helpful if you could e-mail the documents as early as possible, that is, well before the deadline, so that the Staff's preparation schedule will not be delayed by the copying. If you will, please e-mail them to jo.wheat@psc.sc.gov and send a copy to me. In consenting to this particular request, we are not encouraging other parties to make the same request, because of the resulting burden on Commission Staff.

Thanks,
 David Butler

Subject: [External] Re: General Procedure for DESC Rate Case

David,

Due to the New Year's holiday and the fact that we are not based out of Columbia, we are concerned that we will be unable to provide 10 hard copies of any cross exhibits to the Commission prior to 10AM on Monday. USPS does not deliver or pick up mail on New Year's Day, and because we did not learn of this deadline until yesterday afternoon, will be unable to mail hard copies to arrive by that time.

Would it be possible for us to provide electronic copies prior to that deadline and perhaps reimburse the Commission for any hard copies printed there?

Thank you, and Happy New Year!

Kate Lee Mixson
